

## Personal Hygiene Product Drive

St Matthew's church is participating in a drive for hygiene products.  
**The drive will last from March 10th to March 18th.**

A donation box will be available at the church throughout the entire time period. On weekends after masses, a scout will also be there collecting the donations. The items donated can be any size as long as they are brand new.

### Examples of items to donate are:

- Shampoo
- Body Wash
- Soap
- Hand Sanitizer
- Toothbrushes
- Toothpaste
- Socks as well

**Please donate a new and not used item.  
Any used items will not be accepted.**

All donations will be given to St. Vincent De Paul for distribution to the homeless or people in great need of these items.

When you donate one of these items, you will make somebody out there very happy. So please give from the heart.

Thank you for supporting my Eagle Scout Project.  
Jacob Tjaden, BSA Troop #309
