

WHEN SHOULD YOU MAKE CEMETERY ARRANGEMENTS?

The best time to make your burial plans is now.

Whether you choose cremation or full traditional burial, pre-arranging your cemetery needs offers peace of mind to you, fewer hassles for your family, and a positive step in your personal faith journey.

By making your plans now you can take advantage of zero percent financing, small down payments, and equally small monthly payments. Many of the families who pre-plan during this **“All Souls Day” Special** will be able to save up to \$1,000 or more* off of a complete memorial package.

We know that talking about death is often difficult, but discussion and pre-planning now can eliminate stress and confusion later. We make it easy to start the conversation.
